Electric Co-ops Grow for the Communities They Serve

October is National Co-op Month

October is National Co-op Month, and Columbus Electric Cooperative is joining cooperatives across the U.S. to celebrate. Co-ops come in all shapes and sizes, but they each have a common goal: to provide goods or services for the members of the co-op.

Electric co-ops, including Columbus Electric Cooperative, exist to serve their members. Our priority is to provide affordable, reliable energy to our local communities. Because we are led by you, the members we serve, we can evolve to meet your needs.

This October, as we celebrate Co-op Month, we're focusing on the ways "Co-ops Grow" for their members.

Co-ops Grow Communities: Co-ops help communities grow by promoting economic empowerment, fostering community engagement and supporting the unique needs of co-op members. "Concern for Community" is one of our core principles—and being community-focused is essential to everything we do.

Co-ops Grow Together: Co-ops are all about cooperation, not competition. That's why electric co-ops work together to share lessons learned, successful strategies and better ways to serve our members. We're better when we grow together!

Co-ops Grow Tomorrow's Leaders: Electric co-ops serve as fertile ground for growing tomorrow's leaders through a variety of youth engagement programs. Whether through school demonstrations, community events or the Electric Cooperative Youth Tour program, we're committed to providing opportunities for local youth to learn and thrive in our community and beyond.

Co-ops Grow for You: At Columbus Electric Cooperative, your satisfaction is our number one goal. It's why we were formed many years ago to fulfill a uniquely local purpose. We've come a long way since then, and your needs continue to evolve. That's why we'll never stop growing for you!

Every year Columbus Electric Cooperative sponsors two high school students to attend the once in a lifetime government in action Youth Tour to Washington D.C.

This institution is an equal opportunity provider and employer.

A Touchstone Energy® Cooperative 

Seven Cooperative Principles

1 VOLUNTARY AND OPEN MEMBERSHIP
 Cooperatives are voluntary organizations open to all persons able to use their services and willing to accept the responsibilities of membership, without gender, social, racial, political or religious discrimination.

2 DEMOCRATIC MEMBER CONTROL
 Cooperatives are democratic organizations controlled by their members, who actively participate in setting policies and making decisions. The elected representatives are accountable to the membership. In primary cooperatives, members have equal voting rights (one member, one vote) and cooperatives at other levels are organized in a democratic manner.

3 MEMBERS' ECONOMIC PARTICIPATION
 Members contribute equitably to, and democratically control, the capital of their cooperative. At least part of that capital is usually the common property of the cooperative. Members usually receive limited compensation, if any, on capital subscribed as a condition of membership. Members allocate surpluses for any or all of the following purposes: developing the cooperative, possibly by setting up reserves, part of which at least would be indivisible; benefitting members in proportion to their transactions with the cooperative; and supporting other activities approved by the membership.

4 AUTONOMY AND INDEPENDENCE
 Cooperatives are autonomous, self-help organizations controlled by their members. If they enter into agreements with other organizations, including governments, or raise capital from external sources, they do so on terms that ensure democratic control by their members and maintain their cooperative autonomy.

5 EDUCATION, TRAINING AND INFORMATION
 Cooperatives provide education and training for their members, elected representatives, managers, and employees so that they can contribute effectively to the development of their cooperatives. They inform the general public, particularly young people and opinion leaders, about the nature and benefits of cooperation.

6 COOPERATION AMONG COOPERATIVES
 Cooperatives serve their members most effectively and strengthen the cooperative movement by working together through local, national, regional and international structures.

7 CONCERN FOR COMMUNITY
 While focusing on member needs, cooperatives work for the sustainable development of their communities through policies accepted by their members.

CO-OPS GROW

COMMUNITIES

Electric cooperatives are joining co-ops across the U.S. to celebrate National Co-op Month. As your local electric co-op, our services are shaped to meet your specific needs. We love growing with you, the members we are proud to serve.

Our office will be closed Friday, November 10th in observance of Veterans Day

Board Highlights

The Board of Trustees, at their September meeting, reviewed and approved the operating and financial reports for the month of August. They also appointed voting delegates from the Board to the National Rural Electric Cooperative regional meetings taking place in October.

Notice: Energy Assistance and Moratorium Protection (LIHEAP)

Protection from winter shut-off begins November 15, 2023. To avoid potential disconnection of services please contact the New Mexico Human Services Department at 800-283-4465, or the appropriate tribal or pueblo entity for eligibility information for low-income heating energy assistance program (LIHEAP). Your service will not be disconnected from November 15, 2023, through March 15, 2024, if you meet the qualifications of LIHEAP and have no past due amounts or you remain current on any settlement or installment agreement for amounts due as of November 15, 2023. Members of New Mexico tribes or pueblos who need help with translation or with other matters may contact the commission's consumer relations division at (888) 427-5772, who will contact the appropriate tribal or pueblo official for assistance.

Energy Efficiency Tip of the Month

Did you know using your dishwasher is more energy efficient than washing a load of dishes by hand? To maximize efficiency, wash full loads in the dishwasher and don't block the arms or other parts that move while the appliance is in use.

For additional savings, turn on the "air dry" setting instead of using the "heat dry" setting and use a rinse aid to help dishes dry faster without spotting and streaking.
